Dear Sir,

Reference is made to your letter (ref. code: CTW320-LET-AIC-002643-E01) received on 9-February-2022, through which you submitted the Material Approval Request (MAR) for "AIA AMEDAH Co. Site Lighting Steel Pole" for the CTW320 Building Project.

After reviewing the above deliverable, the CSC has no objection to **Approve** the aforementioned submission, as the Contractor has fulfilled the required comments evident from the attached review report (ref. code CTW320-REV-TYP-000280-E02).

The Contractor will ensure before the commencement of the works the fulfillment of the requirements as per the last design approved by the Engineer. Moreover, the Contractor will make sure that these products satisfy the technical requirements, specifications and applicable standards as per the Contract.

Yours faithfully,

Alberto Vergara
CSC Acting Project Director
TYP SA
